

IMPORTANT POINTS TO REMEMBER

35% of the overall process is learnt in the sessions (6 Week Job Ready Programme)
65% of the overall process is learnt in the internship (3+ month internship and supported right through until you secure an IT Job)

WEEK 5 of your Job Ready Programme you will receive an email from the MVP Studio Team about your NEXT STEPS for the INTERNSHIP

ZOOM MEETING INSTRUCTIONS

- 1) Download and run the .exe file from Zoom.
- 2) Enter your name (for display on screen).
- 3) If you can't hear the tutor, please click the Join Audio button.

Session Recordings: All sessions are recorded and will be available to you on the calendar the next day for review. They will be available for 3 months.

IMPORTANT - MEETING CODE: At the end of each session, a **MEETING CODE** will be given to you in the Slack Channel by your tutor. Every meeting has a different code. **Please copy that CODE and PASTE it into the MEETING ATTENDANCE (see screenshot below and Onboarding Video) and submit.** The system will allocate 5 IC points to you for each meeting code attendance submitted.

Meeting	Date
IC Training Session	27 Mar, 2023 08:12:31
IC Training Session	27 Mar, 2023 07:19:24
IC Training Session	27 Mar, 2023 07:16:11

Materials

You can access the course slides under the Programme Menu.

(<http://www.industryconnect.io/Course/Home/MyProgram>)

Source code and extra materials for the topics will be shared during or after the classes.

Tools

Please install all the tools below before the class.

1. Visual Studio - you will use this to write C# code and build applications.
Make sure you install the **'.NET Desktop Development'** and **'ASP.NET and web development'** workloads.
 - a. <https://www.visualstudio.com/vs/community/>
2. SQL Server - you will use this to create the database. The **'Developer'** edition is recommended.
 - a. <https://www.microsoft.com/en-us/sql-server/sql-server-editions-express>
